Solutions For The Printing Industry

Nekkor Solutions is a premium supplier of capital equipment and consumables to the Australasian printing industry.

Started in 2009 by Frank and Claire Brokken, Nekkor has grown to become one of Australasia's leading suppliers to printing companies of all sizes.

Based in West Auckland's premium business park Westgate, the Nekkor team is focused on delivering cost effective solutions in a confidential, trusted and ethical manner to the printing industry.

With industry leading brands that include 3M, MPS, DuPont, Esko, x-rite, AVT, Bar Graphics, Dantex and many others, Nekkor proudly stands by the superior performance of its products and is there to serve its customers in the best way possible.

A friendly and reliable approach to doing business has helped to take Nekkor to the next level. In Franks words, this is why many customers like dealing with the Nekkor team; because we stand behind our products and we are committed to making sure that our customers have an enjoyable experience when dealing with us.

The future also looks bright for Nekkor with Tash (Franks daughter) learning the trade in preparation of one day taking over the business. Tash will keep the legacy going in the same trusted and respected way that the company was built on.

If you would like to deal with a knowledgeable and friendly team that enjoys doing what they do, please call the Nekkor team (09) 826 3441 or contact us via email: [Kelly@nekkorsolutions.co.nz](mailto:Kelly@nekkorsolutions.co.nz)
