

Sponsoring the Pride in Print Awards is really important to the team at BJ Ball.
It allows us to truly support our industry.

We also know we need to support the planet, and find solutions for our industry to make them look good, and to keep their customers impressed.

We are thrilled to exclusively bring you the locally manufactured **Formakote** range for your New Zealand made packaging substrate needs.

- Locally made in Whakatane means less shipping miles
- Way shorter indent lead times - just 6 weeks!
- Available FSC certified (indent only)
- Rolls available to sheet to your required size
- Standard sheet sizes stocked on the floor and available now
- [Order Here](#)
